

# 5-11 Club, Inc.

POST OFFICE BOX 8511 - CHICAGO, ILLINOIS 60680

We will have a different format for the October 5-11 Club meeting, which will be held on Wednesday October 22, 2014 at White Fence Farm in Romeoville, Illinois.

This combined dinner/fundraiser will run from 5pm to 9pm in the dining room and from 4pm to 8pm at the carry out window, which is located at the southwest corner of the restaurant (go through the parking lot).

Here is how the fundraiser will operate:

Come in and order a meal. When you are ready to pay for the meal, present the attached flyer to the cashier and 20% of your bill will be donated to the Club.

OR

If you cannot stay for dinner, order a carryout meal and present the flyer at the cashier. 20% of your bill will be donated to the Club.

Please make copies of the flyer and give them to your family, friends and co-workers. Hand them out at as many firehouses as you can. Everyone is welcome to attend; and we'd love a huge crowd.

Remember: the flyers must be presented to the cashier in order for the Club to receive the donation. Be aware that the restaurant has a policy that no flyers can be distributed on their property. However, you can download flyers from their website as well as from our website.

If you are not familiar with White Fence Farm, they have been operated by the same family as long as the 5-11 Club has been around. They have been a fixture in the southwest suburbs since the 1920's. Their facility is enormous and quite homey. In addition to the restaurant, they have an on-site antique car museum and a petting zoo (around back). Fried chicken is their specialty but they also have a full menu (including a full bar).

White Fence Farm is located at 1376 Joliet Road (Old Route 66) Romeoville, IL. Phone 630-739-1720. For directions and their menu, visit <http://whitefencefarm-il.com>

See you there!
